

# JOB OFFER

## **Oncologist (Herning, Denmark)**

On behalf of a client Look Abroad! is looking for an oncologist. You will work at the public hospital in Herning. In 2020 this hospital will be substituted by a brand new megahospital just outside Herning. You and your colleagues will move there, getting the opportunity of working in completely new installations. The position offers stable surroundings, attractive working conditions, good opportunities for professional development, a good work-life balance and a future life and career in Denmark, one of Europe's top welfare states.

### Your Tasks

As a staff specialist, your main priority will be diagnosing and treating your patients, but you will have the opportunity to do so much more! You will attend conferences and training, and you will receive all the support you need to excel on a professional and personal level.

The reach out area of the department includes 516,000 patients in Central and Western Jutland. Recently patients from other hospitals of the region have been brought to the department as well, among others, patients with combined small cell carcinoma.

The vision of the regional oncological centre is to create and utilize professional synergy on a larger scale, working closely together with specialists from other departments and from other hospitals.

# JOB OFFER

## Qualifications

- An education as a medical doctor from a European Union university.
- Proven competence and experience in oncology.
- Experience in chemotherapy (or its equivalent as in EU Directive 2005/36/EC).
- Experienced in the field of mamma/colon.
- Proven experience and interest in developing interdisciplinary collaboration.
- Motivation for living and working abroad.
- Citizenship of a European Union member state.

## Languages

You will use the Danish language at work and you will get intensive and free language training to help you reach a sufficient level before starting working in Denmark. To be able to participate in the Danish language course you will need to:

- Be available for participation in an intensive Danish course in Budapest.
- Be proficient in spoken and written English (B2 level or better).

## Who are we looking for?

You are an inspiring and enterprising person with good cooperation skills. You are service minded towards your patients, colleagues and external partners.

# JOB OFFER

## Our offer to you

- The opportunity of working with oncology as a member of a highly professional team and very soon in a new hospital with completely new installations.
- € 104.000 minimum yearly salary (including pension benefits).
- A permanent contract.
- 37 hour working week and 6 weeks paid holidays.
- A good work-life balance. You will have time to spend with your family, or to further develop your skills.
- A 5 months free, intensive Danish language course in Budapest prior to work start and a 2-weeks Danish medical language programme via Skype.
- During the language course you will receive a monthly € 800 settlement assistance and free accommodation in Budapest. If you have any children travelling with you, then you will receive a further € 70 extra support per child.
- The medical authorization process will be taken care of for you.
- Assistance with the relocation to Denmark and spouse employment assistance.

## How do you apply?

Please forward your application and CV in English marked "Job 1118, Oncologist" by mail to Arne Beyerholm, [look-abroad@outlook.com](mailto:look-abroad@outlook.com) as soon as possible and not later than January 23rd, 2020.

Please include a copy of your diploma (medical career) including the results of all exams. Feel free to include any further attachments, which you find relevant, e.g.

## JOB OFFER

certificates, references, etc. These should preferably be in English, but we do accept them in Spanish.

If you do not want to apply for this position, but would like us to consider your CV for other health care jobs in Denmark or Northern Europe, then feel free to forward your CV. Forward it by sending a mail with the title "Unsolicited application". Please include your diploma and other attachments as described in the paragraph above.

Should you have any questions, then please send an e-mail to the above-mentioned mail address.

Look Abroad! helps Spanish and international engineers and health care professionals finding good jobs in Denmark and Northern Europe. Read more about us at:
